# ZHENG

*the dining experience  
second to none!*

---

Fleet Admiral and diplomat, Zheng He, was one of the most famous explorers in the history of China.

Born in the late 14th Century, Zheng was of Mongolian descent. His story was one of rags to riches at the age of 11 he was captured and sent to serve the Ming Empire. Over time, he distinguished himself in warfare & diplomacy and made many influential & powerful friends within the court.

At the beginning of the 15th Century, Zheng was given rank Commander in Chief to the Emperor and a mission to 'sail to the western ocean' to explore and exert influence beyond China.

Between 1405 to 1431, Zheng led his fleet no less than seven voyages reaching places such as Vietnam, Thailand, Sri Lanka, the Persian Gulf, parts of Africa etc.

Often foreign ambassadors would pay homage to the Chinese Emperor, bringing with them their rich culture in art, technology and – above all – food!

In the spirit of Zheng's voyages, we deliver a rich, diverse and authentic dining experience to our customers. The underlying influence of our food is still unmistakably Oriental – from authentic Malaysian or Singaporean to spicy Szechuan, Cantonese stir-fries and Shanghai braises.

We hope that you will enjoy dining with us. And should you have any special requests, please do not hesitate to speak to a member of our friendly staff.
