

WELCOME TO ZHENG

the dining experience
second to none!

Fleet Admiral and diplomat, Zheng He, was one of the most famous explorers in the history of China.

Born late 14th Century, Zheng was of Mongolian descent. Distinguished in warfare & diplomacy, he was given the rank of Commander in Chief by the Emperor with a mission to 'sail to the western ocean' to explore and exert influence beyond China.

Zheng led his fleet on no less than seven voyages reaching places such as Vietnam, Thailand, Sri Lanka, the Persian Gulf and parts of Africa.

In the spirit of Zheng's voyages, we deliver a rich, diverse and authentic dining experience to our customers. The underlying influence of our food is still unmistakably Oriental – from authentic Malaysian or Singaporean to spicy Szechuan and Cantonese stir-fries.

We hope that you will enjoy dining with us. And should you have any special requests, please do not hesitate to speak to a member of our friendly staff.
